EXPLANATORY NOTES ON SPECIAL BUSINESS

Authority For Directors To Allot and Issue Shares

The proposed Resolution 5 under item 6 of the Agenda, if passed, from the date of the above Annual General Meeting, will empower the Directors of the Company, with the authority to allot and issue shares in the Company up to an amount not exceeding 10% of the issued capital of the Company (excluding treasury shares) for such purposes as the Directors consider would be in the best interest of the Company. This authority, unless revoked or varied at a general meeting, will expire at the next Annual General Meeting.

The general mandate sought to grant authority to Directors to allot and issue of shares is a renewal of the mandate that was approved by the shareholders at the Twenty-Third Annual General Meeting held on 8 June 2017. The renewal of the general mandate is to provide flexibility to the Company to issue new shares without the need to convene a separate general meeting to obtain shareholders' approval so as to avoid incurring additional cost and time. The purpose of this general mandate is for fund raising exercises including but not limited to further placement of shares for purpose of funding current and/or future investment projects, working capital and/or acquisitions.

Up to the date of this Notice, the Company did not issue any shares pursuant to the mandate granted to the Directors at the Twenty-Third Annual General Meeting as the need does not arise for any fund raising activity for the purpose of investment, acquisition or working capital.
