This Offer Document is a formal offer by the Offeror, through HLIB, to acquire your Offer Shares in accordance with the terms and conditions of this Offer Document.

You are advised to carefully read this Offer Document and the Independent Advice Circular, which will be dispatched to you within 10 days from the date of this Offer Document. You should take note that in the event of any further restriction to movement due to the implementation of any Movement Control Order by the Government of Malaysia or any other emergency, electronic documentation and service may be the only mode that can be employed. As such, it is important for you to register your email address with Bursa Depository via:

- (i) https://www.bursamalaysia.com/trade/our_products_services/central_depositor_y_system/request_for_estatement; or
- (ii) Bursa Anywhere mobile application which can be downloaded from Google Play Store or Apple App Store.

You should consult your stockbroker, bank manager, solicitor, accountant or other professional advisers immediately if you have any doubt about the Offer.

If you intend to accept the Offer, you must complete and sign the accompanying Form of Acceptance and Transfer according to its instructions. Please refer to Appendix II of this Offer Document for details on the procedures for accepting the Offer. Specific instructions for Non-Resident Holders on accepting the Offer are set out in Section 3 of Appendix II of this Offer Document.

You do not need to take any action if you decide not to accept the Offer.

2. TERMS AND CONDITIONS OF THE OFFER

The terms and conditions of the Offer, which are in compliance with the Rules and are identical to those set out in the Notice, are as follows:

2.1 Consideration for the Offer

The consideration for the Offer is **RM0.55 for each Offer Share**. The Offer Price will be satisfied entirely in cash.

However, if Paragon Union declares, makes or pays any Distribution to you on or after the date of the Notice but before the Closing Date and you are entitled to retain such Distribution, the Offer Price will be reduced by an amount equivalent to the net Distribution for each Offer Share which you are entitled to retain. For the avoidance of doubt, no adjustment shall be made to the Offer Price in the event that the entitlement date for the Distribution is after the Closing Date. As at the LPD, Paragon Union has not declared any Distribution based on announcements made by Paragon Union on Bursa Securities that is payable on or after the date of the Notice.

You may accept the Offer in respect of all or part of your Offer Shares. You may not accept the Offer in excess of your holdings of the Offer Shares. The Offeror will not pay fractions of a sen to you. Hence, where applicable, your entitlements to the Offer Price will be rounded down to the nearest whole sen.

The Offer Price is equal to the transacted price of RM0.55 under the Acquisitions. The transacted price was arrived based on willing buyer-willing seller basis, after taking into consideration the following:

- (i) the unaudited NA per Share attributable to equity holders of the Group as at 30 September 2020 of approximately RM0.57; and
- (ii) the loss making position of the Group for its 9-month financial period ended 30 September 2020.

The Offer Price is in compliance with Paragraph 6.03(1) of the Rules, which states that the Offer Price in a mandatory take-over offer must not be less than the highest price (excluding stamp duty and commission) paid or agreed to be paid by the offeror or persons acting in concert for any voting shares or voting rights to which the take-over offer relates, during the offer period and within 6 months prior to the beginning of the offer period.

For information purpose, save for the Acquisitions, the Offeror, Ultimate Offeror or any persons acting in concert with them have not acquired any Shares for the period commencing 6 months prior to the beginning of the Offer Period and up to the LPD.

2.2 Condition of the Offer

The Offer is not conditional upon any minimum level of acceptances of the Offer Shares as the Offeror and Ultimate Offeror collectively held more than 50.00% of the voting shares of Paragon Union upon the completion of the Acquisitions.

2.3 Duration of the Offer

The Offer will remain open for acceptance until 5.00 p.m. (Malaysian time) on 8 March 2021, being the First Closing Date, unless extended or revised in accordance with the Rules and the terms and conditions of this Offer Document. Any such extension or revision will be announced by us, on behalf of the Offeror, at least 2 days before the Closing Date. Notice of such extension or revision will be posted to you accordingly.

Please refer to Section 2 of Appendix I of this Offer Document for further details on the duration of the Offer.

2.4 Method of settlement

Other than the Offeror's right to reduce the Offer Price as set out in Section 2.1 of this Offer Document and except with the consent of the SC, the Offeror will settle the consideration to which you are entitled under the Offer in full in accordance with the terms of the Offer without regard to any lien, right of set-off, counter-claim or other analogous rights to which the Offeror may be or claim to be entitled against you. However, this is without prejudice to the Offeror's rights to make any claim against you in respect of a breach of your warranties as set out in Section 1 of Appendix I of this Offer Document.

The Offeror will settle the consideration for the Offer Shares through remittance in the form of cheques, banker's drafts or cashier's orders, which will be posted by ordinary mail to you (or your designated agents, as you may direct) at your registered Malaysian address last maintained with Bursa Depository at your own risk within 10 days from the date of the Valid Acceptances. This is provided that the Offeror deems such acceptances to be complete and valid in all respects in accordance with the terms and conditions of this Offer Document.

Any Non-Resident Holders are advised that settlement for acceptances of the Offer will be made in RM. Non-Resident Holders who wish to convert their consideration into foreign currency for repatriation may do so after payment of the appropriate fees and/or charges levied by the respective financial institutions.

2.5 Other terms and conditions and procedures for acceptance

Please refer to Appendix I of this Offer Document for the other terms and conditions of the Offer and Appendix II of this Offer Document for details on the procedures for accepting the Offer.

3. RATIONALE FOR THE OFFER

The Offer was made by the Offeror pursuant to Section 218(2) of the CMSA and Paragraph 4.01(a) of the Rules as a result of the Offeror acquiring more than 50.00% of the voting shares in Paragon Union upon the completion of the Acquisitions.

Although the Group recorded a loss after taxation of RM5.40 million for the 9-month financial period ended 30 September 2020, mainly due to the impact of the coronavirus disease 2019, the Offeror acquired majority control in the Offeree for the business potential of the Group after taking into consideration, amongst others, the existing reputable automotive clients for the automotive car carpets business, which include Proton, Honda, BMW, Naza and Isuzu and the on-going projects in the Offeree's order books for the commercial carpet business such as Masjid An-Nur Singapore, Putrajaya International Convention Centre as well as Emperor Cinema Johor.

(Source: Annual report of Paragon Union for FYE 2019)

The Ultimate Offeror intends to undertake a detailed review and evaluation of the Group's operations, share his business insights and provide strategic direction for the Group's business moving forward. Given the background and experience of the Ultimate Offeror in the trading and manufacturing sector as set out in Section 8 of this Offer Document, he would leverage on his experience to provide improvement in revenue stream and if appropriate, introducing cost optimization measures.

In view of the above, the Offeror and Ultimate Offeror may introduce changes, as and when deemed appropriate, with the objective to improve operational efficiency, develop future growth strategies and improve financial performance of the Group. The strategies may include, amongst others, improving manufacturing efficiencies of the Group, widening the Group's products offering, customers (including geographical expansion in other countries) and venturing into other new business that the Ultimate Offeror has experience in, if feasible.

Notwithstanding the above, at this juncture, the Offeror and Ultimate Offeror do not have any concrete or specific implementation plan for the Group.

The Offer also provides the Holders with an opportunity to realise their investment in Paragon Union for cash at the Offer Price.

4. LISTING STATUS, COMPULSORY ACQUISITION AND RIGHTS OF DISSENTING HOLDERS

4.1 Listing status

Pursuant to Paragraph 8.02(1) of the Listing Requirements, a listed issuer must ensure that at least 25.00% of its total listed shares (excluding treasury shares) are in the hands of public shareholders. Bursa Securities may accept a percentage lower than 25.00% of the total number of listed shares (excluding treasury shares) if it is satisfied that such lower percentage is sufficient for a liquid market in such shares.

A listed issuer which fails to maintain the Public Spread Requirement may request for an extension of time to rectify the situation in the manner as may be prescribed by Bursa Securities. Where an extension of time is not granted, Bursa Securities may take or impose any type of action or penalty pursuant to Paragraph 16.19 of the Listing Requirements for a breach of Paragraph 8.02(1) of the Listing Requirements and may, at its discretion, suspend trading in the securities of the listed issuer pursuant to Paragraph 16.02(1) of the Listing Requirements. However, the non-compliance of the Public Spread Requirement will not automatically result in the delisting of the listed issuer from the Official List.

Pursuant to Paragraph 9.19(48) of the Listing Requirements, in relation to a take-over offer under the Rules, upon 90.00% or more of the listed shares (excluding treasury shares) of a listed issuer being held by a shareholder either individually or jointly with associates of the said shareholder, an immediate announcement must be made by the listed issuer. Following such immediate announcement, Bursa Securities will, in the case where the offeror intends to maintain the listing status, suspend trading in the listed issuer's securities immediately upon the expiry of 30 Market Days from the date of the announcement. In this regard, the suspension will only be uplifted upon the listed issuer's full compliance with the Public Spread Requirement or as may be determined by Bursa Securities.

The Offeror and the Ultimate Offeror intend to maintain the listing status of Paragon Union on the Main Market of Bursa Securities.

As such, if Paragon Union does not comply with the Public Spread Requirement as a result of the Offer, the Offeror will work together with Paragon Union to explore various options or proposals within 3 months from the Closing Date, or such timeframe as allowed by the relevant authorities, to help facilitate Paragon Union to comply with the Public Spread Requirement. As at the date of this Offer Document, no such arrangements have been made. Any action to comply with the Public Spread Requirement may require the approvals of the relevant authorities or the approval of the shareholders of Paragon Union. The actual course of action to be taken will depend on, among others, the circumstances as well as the prevailing market conditions at the relevant time.

You should also note that while the Offeror will work together with Paragon Union to rectify any shortfall in the Public Spread Requirement, there is no assurance that any such shortfall will be rectified within the stipulated timeframe. In this case, the Offeror and/or Paragon Union may apply to seek an extension of time from the relevant authorities to do so. Bursa Securities has the absolute right to grant an extension or reject the said application.

For the avoidance of doubt, any decision to rectify the shortfall in the Public Spread Requirement is subject to the Offeror and Ultimate Offeror continuing to retain collective equity interests of more than 50.00% in Paragon Union.

4.2 Compulsory acquisition

Section 222(1) of the CMSA provides that, where an offeror has:

- (i) made a take-over offer for all the shares or all the shares in any particular class in an offeree; and
- (ii) received acceptances of not less than nine-tenths in the value of the offer shares.

the offeror may, within 4 months of the date of the take-over offer, acquire the remaining shares or remaining shares in any particular class in the offeree by issuing a notice in the form or manner specified by the SC to such effect to all the Dissenting Holder provided that the notice is:

- (i) issued within 2 months from the date of achieving the conditions under Section 222(1)(a) and Section 222(1)(b) of the CMSA; and
- (ii) accompanied by a copy of a statutory declaration by the offeror that the conditions for the giving of the notice are satisfied.

Section 222(1)(a) of the CMSA provides that for the purpose of Section 222(1)(b) of the CMSA, the acceptances must not include shares already held at the date of the take-over offer by the offeror or persons acting in concert.

Notwithstanding the above, subject to Section 224 of the CMSA, Section 223 of the CMSA provides that if the Offeror receives Valid Acceptances from the Holders resulting in the Offeror and Ultimate Offeror holding at least nine-tenths in value of all the Shares on or before the Closing Date, a Dissenting Holder may exercise his/her rights under Section 223(1) of the CMSA by serving a notice on the Offeror to require the Offeror to acquire his/her Offer Shares on the same terms as set out in this Offer Document or such other terms as may be agreed between the Offeror and such Dissenting Holder.

In accordance with Section 224(3) of the CMSA, when a Dissenting Holder exercises his/her rights under Section 223(1) of the CMSA, the court may, on an application made by such Dissenting Holder or by the Offeror, order that the terms on which the Offeror must acquire such Offer Shares will be as the court thinks fit.

If the Offeror and Ultimate Offeror have acquired at least nine-tenths in value of all the Shares, Section 223(2) of the CMSA requires the Offeror to give the Dissenting Holders a notice within 1 month thereafter in the manner specified by the SC of the rights that are exercisable by the Dissenting Holders under Section 223(1) of the CMSA.
